

## Kristallnacht and barbed wire – permanent mark of Europe?

Antifascist action, Belgrade November 9th 2018

On the occasion of the November 9th - the International Day Against Fascism and Anti-Semitism, Women in Black, the Youth Initiative for Human Rights, the Anti-Fascist Union of Serbia and the Autonomous Women's Center, organized the anti-fascist / anti-racist action called Kristallnacht and Barbed Wire - permanent mark of Europe.

The protest was held on November 9th, 2018 in Knez Mihailova Street, Belgrade.

The following banners were raised at the protest:

Kristallnacht and barbed wire – permanent mark of Europe?

No barbed wires, no borders

Stop Fascism in the following languages: BCS, English, Italian, German, Spanish, Roma, Pashto, Dari, Farsi, Arabic...

Women in Black Against Fascism

Solidarity with Refugees

On that occasion, a scene action was performed. Two activists laid a barbed wire on the street, and then two activists cut the barbed wire and covered it with a banner No barbed wires, no borders.

Thirty activists from Belgrade, as well as Women in Black from Kraljevo, Leskovac, Krusevac, Vlasotince, as well as an activist from Montenegro, four from Croatia and one from Slovenia took part in this action. The international character of the action is enriched by the participation of four feminist-anti-militarist union activists from Italy.

Police was present and the event was poorly media covered.
